TREND ALERT

GEFEN BEETS ARE RECOGNIZED NATIONALLY AS A GREAT HEALTHY ITEM- 95% OF SALES ARE OUTSIDE OF KOSHER, MAKING THIS PRODUCT POISED TO BREAK OUT OF PASSOVER AND BECOME A 52 WEEK A YEAR PRODUCT!

PICKLED BEETS IN THE NEWS

The Health Benefits of Beets
Why you should fall in love with this ruby-red root

[f](#) [t](#) [in](#) [p](#) [m](#)

To the uninitiated, beets can be intimidating. They're knobby, blood-red and taste a little like dirt. But there's so much more to beetroot than meets the eye.

"Beets are special" says registered dietitian Camille Skoda, RD.

Trend alert! Why beets are the hot new 'superfood'

BY VALLI HERMAN
JULY 15, 2016 9:30 AM PT

Love them or hate them, beets are earning a second look.

Body builders and endurance athletes are downing juice shots to boost performance. Chefs are stirring purées into antioxidant-rich chocolate desserts for a superfood double-play. Food manufacturers are making snacking healthy with dehydrated beet chips, single-serving, marinated beets and organic juices. And concentrated powders are sold as dietary supplements to boost endurance.

Beets also are being studied as a natural way to battle cardiovascular disease, high blood pressure and the sluggishness that can come with age.

As awareness of their potential benefits grow, we have to ask: Are beets really healthy? Or is this just hype?

"It's a

9 Impressive Health Benefits of Beets

Beetroots, commonly known as beets, are a vibrant and versatile type of vegetable. They're known for their earthy flavor and aroma.

In addition to bringing a pop of color to your plate, beets are highly nutritious and packed with essential vitamins, minerals, and plant compounds, many of which have medicinal properties.

What's more, they're delicious and easy to add to your diet in dishes like balsamic roasted beets, hummus, fries, and salads, among many others.

Here are 9 evidence-based benefits of beets, plus some tasty ways to increase your intake.

NEW ITEM!

TREND ALERT DATE SYRUP

"DATES ARE GAINING POPULARITY AS A NUTRITIOUS SWEETENER IN SNACKS, SPREADS AND SAUCES, PACKING TWICE THE POTASSIUM, CALCIUM AND MAGNESIUM OF MAPLE SYRUP OR HONEY, PLUS FIBER AND ANTIOXIDANTS" FOOD BUSINESS NEWS

IN THE NEWS

The Best Brown Sugar Substitutes for Baking, Barbecue, and Beyond

Out of brown sugar? Try these combined or stand-alone ingredients that can lead to similar—and in some cases, maybe even better—results.

Date sugar

Not to be confused with date palm sugar, which is similar in composition to coconut sugar, this sugar is made from ground dehydrated dates. While it is at this option has rich caramel flavor and can be used 1:1 as a recipe. Try it in a batch of oatmeal cookies with fresh dates

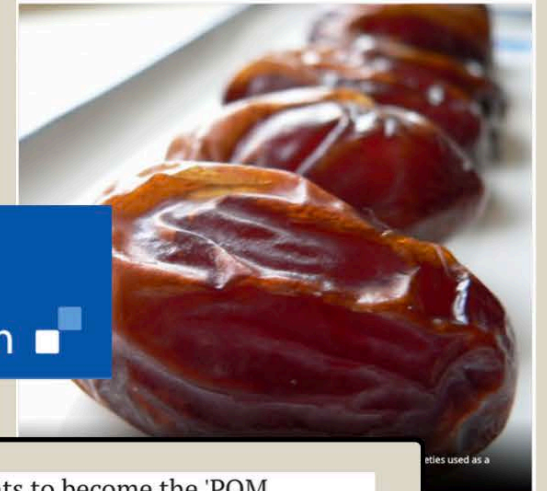

epicuriously

Date palm: Eco-efficient and functional, claim researchers

9 Reasons to Make Date Syrup Your Go-To Sweetener

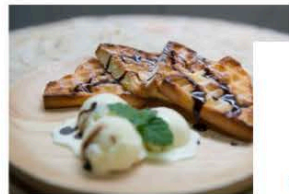

Date syrup is more than an increasingly popular food trend. This flavorful ingredient represents a revolution in the way we think about sweetener.

Take it from *Bon Appétit* contributor Cassandra Landry, who writes: "As I lifted the mug to take a sip, there it was: Warm notes of caramel and molasses with that telltale raisin-y tang, like a lightning strike dissolving into the foam."

What other sweetener can provide that kind of complexity?

And that's to say nothing of the nutritional benefits and versatility of this must-have ingredient.

If you're looking for a healthy natural sweetener that enhances the quality of your products or delights your family, date syrup is a r brainer. Here are 9 reasons to love organic date syrup.

D'vash Organics wants to become the 'POM Wonderful of dates'
